QUESTIONS?

Contact Erin Morris via email
at Erin.Morris@stlcop.edu or
by phone at 314-446-8189.

Friday, January 19

8:00am—5:15 PM

Saturday, January 20

8:00am—12:00 PM

Location:

St. Louis College of Pharmacy
Academic Research Building
Room TBD

CPE Credit:

17 total contact hours* (1.7 CEU)
through homestudy and live seminar.

*Partial credit cannot be awarded.

Our two-day session is designed for pharmacists in need of additional training to be eligible for a certificate of authority from the Missouri State Board of Pharmacy. This program complies with the Missouri State Board of Pharmacy's minimum requirements.

The Providing Medication Therapy Services program is divided into two sessions: a homestudy, which includes both pre-seminar and post-seminar work, and a live seminar. Participants who complete both the home and live portions will be eligible to apply for an MTS certificate with the Missouri Board of Pharmacist.

In order to receive CPE credit, you must be a pharmacist who fully participates in each date of the live seminar AND complete all required home study materials on time.

Visit our website to learn more or register:

www.stlcop.edu/ce

COST: \$340

Scholarship Opportunity:

For details and to apply for a scholarship grant, visit the PSE webpage at:

St. Louis College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Pharmacists participating in this program can receive 17.0 contact hours (1.70 CEU) of application-based continuing pharmacy education via a homestudy session (UAN: 0033-0000-17-054-H03-P) and a live seminar (UAN: 0033-0000-17-054-L03-P). Confirmation of attendance will be sent by St. Louis College of Pharmacy on behalf of participants to the NABP through the CPE Monitor system. Participants must complete and submit an evaluation for each session attended.

It is the policy of St. Louis College of Pharmacy, Office of Continuing Professional Development, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating in this program are expected to disclose to the program audience any real or apparent conflicts of interest related to the content of the presentation.
