Fixed Versus Variable Dosing of Prothrombin Complex Concentrate
- ARB 355 **Rob Yang, Pharm.D.**
Perioperative Anticoagulation Management of Warfarin for Atrial Fibrillation: To Bridge or Not to Bridge

CREDIT REPORTING: Credit will be reported on behalf of all attendees to CPE Monitor using the NABP ePID and date of birth (MMDD) stored in their online profiles at www.stlcop.edu/ce. To receive credit, participants must log on to the website and complete an online evaluation no later than two weeks (14 days) following the presentation. A report will be automatically submitted to CPE monitor upon submission of the evaluation. Please allow approximately 48 hours following submission for credit to appear in the NABP e-Profile. **Only ONE session per 45-minute time block may be claimed for a maximum possible 1.50 credit hours.**

To ensure accuracy of reporting, all participants should check that their NABP ePID and DOB are correct in their online profiles prior to completion of an evaluation. Participants are responsible for tracking receipt of all CE credit. Any inaccuracies in credit reporting, including missing CE credit, should be reported to our office as soon as possible. **Per ACPE policy, no credit can be awarded, for any reason, if more than 60 days have passed from the date of the CE activity.**

How to Claim Your CE Credit

- 1** Visit www.stlcop.edu/ce and create an account or log in. Make sure you have your NABP ePID and DOB handy!
- 2** When you are logged in, click on the “Live CE” heading at the bottom and navigate to the Resident Seminar page. Register for each session you plan to attend.
- 3** Attend your session(s). Don’t forget to sign in on the clipboard inside the presentation room!
- 4** Complete an Evaluation for *Each* Session You Attended: Log on to the website and click on “Complete Test/Evaluation” to view. Evaluations will open after the event ends and stay open for 14 days.

QUESTIONS?

Contact our office using the “Contact Us” form on our website or give us a call at 314.446.8189. Please note that, consistent with ACPE’s policy, St. Louis College of Pharmacy is unable to award or correct credit for any reason, if more than 60 days have passed from the date of the CE activity.

After you complete your evaluation, attendance will be cross-checked against the sign-in sheets. A report will then be sent to CPE Monitor, using the NABP ePID and DOB you have stored in your profile (see Step 1).

- 5** Allow up to 48 hours to see your CE credit online in your NABP Profile.
