ARB 355	Michelle Ting, Pharm.D	<i>Is Combination Treatment Needed for Salvage Therapy of MRSA Bacteremia?</i>

CREDIT REPORTING: Credit will be reported on behalf of all attendees to CPE Monitor using the NABP ePID and date of birth (MMDD) stored in their online profiles at [www.stlccop.edu/ce](http://www.stlccop.edu/ce). To receive credit, participants must log on to the website and complete an online evaluation no later than two weeks (14 days) following the presentation. A report will be automatically submitted to CPE monitor upon submission of the evaluation. Please allow approximately 48 hours following submission for credit to appear in the NABP e-Profile. Only ONE session per 45-minute time block may be claimed for a maximum possible 2.25 credit hours.

To ensure accuracy of reporting, all participants should check that their NABP ePID and DOB are correct in their online profiles prior to completion of an evaluation. Participants are responsible for tracking receipt of all CE credit. Any inaccuracies in credit reporting, including missing CE credit, should be reported to our office as soon as possible. Per ACPE policy, no credit can be awarded, for any reason, if more than 60 days have passed from the date of the CE activity.
