 St. Louis College of Pharmacy is an accredited provider of continuing pharmacy education with the Accreditation Council for Pharmacy Education. Pharmacists who successfully complete this CPE activity can earn up to **1.5 contact hours of knowledge-based CPE credit**, following completion of an online evaluation. Confirmation of attendance will be sent by St. Louis College of Pharmacy on behalf of participants to the NABP through the CPE Monitor system. An evaluation number will be given at the end of the event for access to the program evaluation. Evaluations will remain on-line for 30 days. **Confirmation of attendance will not be sent to NABP until the program evaluation is completed.** It is the policy of St. Louis College of Pharmacy, Department of Continuing Professional Development, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating in this program are expected to disclose to the program audience any real or apparent conflicts of interest related to the content of the presentation. **ACPE UAN: 0033-0000-17-053-L04-P.**
